PMP- and SAFe-certified program leader with 13+ years across enterprise technology, government and nonprofits: multimillion-dollar budgets, a 12-person team plus 55-volunteer network, a \$3.2M grant win, and AI-driven automation that cut manual programme overhead. Attorney by training; calm with regulators, vendors and executives alike.

EXPERIENCE

Project Manager / Trainer · IRIS Software · 2025–present

- Designed AI-driven automation of project-management processes, cutting manual administrative effort and improving turnaround across workflows.
- Manage SIS software implementations end to end: scheduling, stakeholder communication, deployment readiness and client onboarding.

Head of Technical Accessibility · Navy Federal Credit Union · 2020–2025

- Ran an enterprise program serving 14M members: managed and mentored 12 employees and contractors, directed a 55-volunteer cross-departmental champions program.
- Owned multimillion-dollar budgets and strategic vendor relationships; stood up vendor monitoring and automated QA pipelines to keep delivery on standard.

Education Manager · Australian Teachers of Media (ATOM) · 2025

- Built an automation framework for product tagging across the e-commerce site; coordinated trainers, scheduling and delivery logistics.

Regional Coordinator · National Community Reinvestment Coalition · 2013–2014

- Co-led the team that won a \$3.2M intermediary grant, coordinating data from 57 member organisations.

Coordinator · National Housing Endowment · 2014–2015

- Ran scholarship and grant programs; moved applications online and standardised scoring.
